

# Temasek Extension Programmes

Reflecting the evolving needs for professional development of today's individuals and organizations, the *Professional Development Centre* in Temasek Polytechnic has launched Temasek Extension Programmes. Participants of these programmes will be able to extend their potential by obtaining valuable knowledge and strategies and also be prepared for the challenges ahead in this technology driven and global knowledge-based economy.

## Workforce Skills Qualifications (WSQ) Framework for InfoComm **Certificate in 3D Animation Using Maya** Animation Competency Unit, Create 3D models (IT-ANI-503C-0)

- Synopsis** : This course is intended for new professionals or beginners who wish to build 3D animation using Maya. It aims to provide trainees with a basic knowledge and understanding of 3D modelling techniques for animation.
- Objective(s)** :
  - Learn the fundamentals of creating three-dimensional objects and environments
  - Grasp basic 3D concepts relating to model making
  - Apply skills to multimedia, games and Internet applications using current technology
- Who Should Attend** :
  - New professionals or beginners who wish to create 3D animation using Maya
- Pre-requisites** : NIL
- Outline** :
  - Maya Interface
  - Introduction to 3D concepts
  - Introduction to different modelling techniques
  - Primitives modelling exercise
  - Polygon modelling
  -
- Optimum Class Size** : 15 to 23 participants.
- Delivery Methodology** : A combination of lectures and practical lab sessions.
- Assessment** :
  - Practical demonstration through project
- Course Dates** : 9, 10, 11, 12 & 15 December 2008
- Duration** : 40 hours (including assessments)
- Time** : 9am to 5pm
- Venue** : Temasek Polytechnic
- Fee** : \$820.00 per participant (incl. GST)
- Fee after SDF Funding** : **\$380.00\* / \$540.00 per participant (incl. GST)**  
*(\*Enhanced funding are available for Singaporeans/SPR who are 40 years and above with A level qualifications or below)*
- Certification** : Participants who have completed this unit will be issued with a Statement of Attainment identifying the unit completed.

**Course Application** : Application forms can be obtained from:
