Note:

This is only a list of institutions and professional bodies that have collaborations and advanced standing arrangements with Temasek Polytechnic. Students are advised to check with the relevant institutions and government agencies on recognition of qualification before deciding on an institution of choice

As a general rule, most North American universities that do not enter into institutional agreements with us on credit exemptions or transfer arrangements do welcome applications from TP graduates who will be evaluated on a case-by-case basis.

Continuing Education and Training

PROFESSIONAL DEVELOPMENT CENTRE

In response to the Singapore Workforce Skills Qualification (WSQ) System initiated by the Singapore Workforce Development Agency (WDA), TP has launched a series of WSQ modules. The modules are designed to build industry competencies and equip the workforce with the necessary industry and occupational skills to remain competitive and relevant.

SECURITY INDUSTRY INSTITUTE

The Security Industry Institute (SII) is jointly established by Temasek Polytechnic and the Singapore Workforce Development Agency. It was set up in September 2007 to offer nationally recognised and comprehensive professional security training and placement for security personnel. SII, a national Continuing Education and Training Institution for the security workforce, aims to enhance the security industry's professional image, quality of training, operating standards and employability of the workforce through various skills upgrading initiatives.

SII offers three levels of Security WSQ qualification and conducts customised training programmes for organisations. The levels of Security WSQ offered are:-

1. Certificate in Security Operations
2. Advanced Certificate in Security Supervision
3. Diploma in Security Management

SII will also serve as a career centre to partner with industry players and provide guidance on career and skills upgrading for job seekers and workers in the security industry.
