

## Early Admissions Exercise (EAE)

### Quick Tips on Application Write-up and Preparation of Portfolio

#### 1. What you can tell us in your application write-up

For your online EAE application, you are required to provide a write-up of not more than **600** characters (including spacing and punctuation) for each course choice.

- Share about aptitude for applied learning that is related to the diploma
- Write about your interest and talent in the areas related to the course that you are applying for

You may also provide a write-up of not more than **1000** characters (including spacing and punctuation) on your participation in activities (e.g. CCA), achievements and leadership qualities in the “other achievements/talent” page within the online application.

#### 2. Medical Requirements

- a) Refer to [TP website](#) for more information on TP courses.
- b) Check if you meet the [medical requirements](#) of the courses, which can be related to colour vision, hearing and other medical conditions.
- c) If you have any enquiry on support for students with Special Educational Needs (SEN), please contact SEN Support Office at 6780 5959 or email [care@tp.edu.sg](mailto:care@tp.edu.sg).

#### 3. Preparation of Portfolio & Interview

If you are shortlisted for an online or face to face interview and/or aptitude test, do prepare and submit your portfolio, when requested. The following documents may be included in your portfolio:

- Latest School Based Examination Results (and GCE N Level examination results, if applicable)
- CCA transcripts
- Certificates / awards
- Letters of recommendation or testimonials from mentors or former employers
- Evidences of work attachments (within/outside school) / involvement in course-related projects (if any). You are not required to include any evidence if you have no work attachment done
- Where relevant, personal design work, drawings, samples of creative work done, etc.
