SKILLS FOR SECURITY COMPETITION ASIA NOW OPEN!

11 - 13 NOVEMBER 2025 | SANDS EXPO & CONVENTION CENTRE, SINGAPORE

The Security Systems Challenge

Are you ready to put your talent to the ultimate test?

Skills for Security UK, in partnership with Temasek Polytechnic's Security Industry Institute, proudly presents The Security Systems Challenge – happening live at The Security Event Asia, 11–13 November 2025 in Singapore.

Across three action-packed days, 8 technicians each day will go head-to-head in dedicated booths, all tackling the same installation challenge under time pressure.

Each day, 1 winner will be crowned, and at the end of the event, an overall champion will rise above the rest.

Attractive prizes will be awarded to the daily winners and the overall champion.

THREE DAYS OF ACCESS CONTROL SYSTEMS INSTALLATION CHALLENGES

Why Participate?

- Showcase your technicians' expertise to industry peers and potential clients
- Gain professional recognition and networking opportunities
- Position your company as a leader in technical excellence

Who Can Join?

If you're a skilled technician in security systems installation – including apprentices and recent graduates – this is for you.

Participation Terms & Conditions

There are no registration fees, however participants must make a firm commitment to participate in the entire competition programme:

(1) Commit to 1 full day of the 3-day competition. Daily winners will receive their prizes on the same day.

(2) The overall champion will be invited to the final day to receive the grand prize.
