

The **desire** to keep moving.
The **network** that makes it happen.

"Connecting with individuals who have provided me with much-needed perspective and guidance to hone my understanding of the commodities market has been very valuable."

Amanda

early engagement participant and supply, trading & shipping 2023 intern/2024 graduate

Your talent. Your skills. Your big ideas (and even bigger dreams).

We know you have a lot to give. So we'll make sure you get a lot in return. From next-level experiences to global impact – inspiring teammates to exceptional support, you'll find it here at bp.

About bp

We're a global energy company with operations in 61 countries, helping to deliver energy, today and tomorrow – and we need bright minds like yours to help make it happen.

Why join us?

Global impact: contribute to projects that have a significant influence on global energy solutions.

Career development: engage in continuous learning and development opportunities to enhance your professional journey.

Inclusive culture: be part of a workplace that values different views and perspectives.

Attractive pay & benefits: live well now and plan for the future.
