

EARLY CHILDHOOD DEVELOPMENT & EDUCATION

T68

1. PROFESSIONAL QUALIFICATION FOR FUTURE PRESCHOOL TEACHERS

We're legit! The diploma is conducted in collaboration with the National Institute of Early Childhood Development (NIEC), at the NIEC (TP) campus in TP. It's also recognised by the Early Childhood Development Agency (ECDA) – the sector regulator for early childhood!

2. QUALITY TRAINING AND PRACTICE-ORIENTED LEARNING

Your experience in ECDE will be very hands-on, much like working with children! You also will get a chance to head to centres to feel what being a preschool teacher is like through our practicums and internships.

If you love incorporating the Arts in your teaching, deepen your knowledge by taking up the relevant electives and specialising in the Visual Arts track in your final year*.

*Subject to prevailing terms & conditions

3. BE PART OF THE WIDER NIEC FRATERNITY!

As an NIEC student, you belong to a wider fraternity as we have campuses in different parts of Singapore! You'll enjoy opportunities for cross-campus learning and cross-campus electives*.
