Last updated: 20 Nov 2018
Registering for an account
Only current TP staff and students with valid email addresses can sign up for Lynda.com.
Go to [https://www.lynda.com/email-signup](https://www.lynda.com/email-signup) and enter either your TP staff or student email address. **Note:** Students who are accessing Lynda.com through LMS should stick to that method and not register for an account through this email signup.

Welcome to lynda.com

Enter your email address from your organization. Then we'll send you an email with instructions for setting up your profile.

Use your TP email address
Check your TP staff or student email for the email from Lynda.com. Click on *Follow this link* to finish creating your profile.

*Note to students: if you cannot find the email from Lynda.com, check your Clutter folder.*

---

Hi,

[Follow this link](https://example.com) to finish creating your Lynda.com profile. If you've been a member in the past, you can bring your course history, playlists, and certificates of completion with you and keep track of what you've learned.

This link will expire in seven days. If you don't complete your profile by then, you will need to [resubmit your email address](https://example.com) to request a new link.
At the Welcome screen, Select No (unless you had previously subscribed to Lynda.com).
Enter your name and create a password for your account.

Welcome. Set up your account.

Former member: No

Confirm password

At least six characters with a letter and a number.

Select one language:

- English
Success! Go ahead and sign in to [www.lynda.com](http://www.lynda.com) either on-campus or off-campus.

Please note that Lynda.com accounts that remain unused for more than 3 months may be deleted due to limited software licenses.

Success!

Your new account has been created and you can start learning..

Start exploring lynda.com
Accessing your assigned playlist
Go to http://www.lynda.com and click on Sign In.

Use your TP email address and the password that you had created earlier.
If a playlist has been assigned to you, it will appear on the homepage once you login.

Another way to access your playlist.
Click on the course or video in the playlist.

Course: Learning Bitcoin
Start watching the video(s).
Below the video player, on the right.
Searching, browsing & watching
Either browse the topics available or do a search:
On the left column of the results page, you can refine your results.

- Eye icon indicates you are watching or have watched the video
- Bookmark your place in the course
- Clickable transcript for skimming the content
- Exercise files let you follow along using the same materials, e.g. photos, documents
- Change the playback speed
- Closed caption

*TP staff and students will need to sign in first before clicking on this copied url.
Mobile apps
Android or iOS app

Install the app from Google Play Store or App Store. The example given is for android devices but will be similar for iOS devices.

For downloading of the app and Lynda.com courses/videos, you may want to use a WiFi connection.
Click on *Already a member?*

Before doing so, make sure you have already [registered for an account](#) with your TP email address, and finished setting up your account by clicking on the confirmation email from Lynda.com.

Note: If you watch a video or course using the mobile app, remember to login to [www.lynda.com](http://www.lynda.com) so that it can sync your progress. Some lecturers/tutors and SCD will may need to keep track of how much you have watched.
Log in to your Lynda account using your TP email address and the password that you created.
You will reach the homepage.

If you have been assigned a playlist by your lecturer, tutor or SCD, they are listed under Assignments. Click on More to see the entire list.
If you want to download a course or video, click on the download icon.
Either download the entire course or only selected videos.
To view the downloaded videos, go to the homepage of the app and click on the menu icon.
Then select *Downloads*. 
Watch this video to learn more about using Lynda.com

Lecturers, please refer to this guide on integrating Lynda.com with LMS.
