*All battery life claims are approximate and based on test results using the MobileMark 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapoc.com/products/mobilemark-2014/> for additional details.
